

Terms & Conditions

1. Always keep the firearm pointed in a safe direction or down range at all times.
2. Always keep your finger(s) **OFF** the trigger until you are ready to shoot or until the command "**FIRE**" is given. Never draw the firearm with your finger on the trigger.
3. Always keep your firearm unloaded. Do not load your gun until instructed to do so.
4. Treat every firearm as if it were loaded.
5. **NEVER** give a loaded firearm to anyone. It **MUST** be unloaded with cylinder or action slide open.
6. Never leave a loaded weapon unattended.
7. Notify the firearm instructor before class if you are on or taking any type of medication.
8. No person under the influence of alcohol and/or drugs shall be allowed onto the range. If you are observed or assumed to be under the influence of such conditions, you will be removed from the range immediately and you will automatically fail the course and forfeit any and all refunds due.
9. Safety glasses and hearing protection **MUST** be worn at **ALL** times on the firing line or on the range until "**CEASE FIRE**" is given or the range's green light is on and it is safe to remove them.
10. Never anticipate any commands from the Instructor while on the firing line.
11. All firearms are to be placed on the bench facing down range, slides or cylinder open and unloaded. No clips are allowed to remain inside any or all semi-automatic(s) once the line is called "**COLD**".
12. All firing is from the bench area, never from the side(s) (hip) of the body, or holster; only aimed firing.
13. All firing is with both hands on the firearm while firing, one hand shooting is prohibited, (unless medical).
14. Never go in front of the firing line unless the line has been declared "**SAFE**" and the green light is **ON** and the Range Safety Officer sees that it is clear to go down range to retrieve your target.
15. Never bring a loaded firearm to the range and never leave the range with a loaded firearm (unless CWL)
16. Never leave the Range until the firearm instructor has inspected that your firearm is safe and unloaded.
17. Before shooting, be sure you are aware of your target, backstop, and surroundings and beyond.
18. If your firearm fails to fire, keep it pointed down range, in a safe direction, and immediately notify the firearm instructor by raising your non-shooting hand.
19. No tobacco chewing or smoking allowed on the firing line.
20. Anyone with an unsafe or illegally modified firearm is strictly prohibited on the range. If any of these are observed you will be removed from the range immediately and you will automatically **FAIL** the course and forfeit any and all refunds due.
21. Use only the correct manufacture ammunition in the firearm you are shooting. +P, or any other type of high power ammunition, tracers, etc, is strictly prohibited on the range.
22. Anyone can call "**CEASE FIRE**", in the event that they notice, observe or see any type of bodily harm, dangerous act or an "**EMERGENCY**" situation that may cause injury to another person or themselves.
23. When "**CEASE FIRE**" command is given all cylinders must be opened, slides back and magazines taken out of the firearm. Wait until firearm instructor inspects your firearm and then place your opened firearm on top of the bench.
24. If you are Pregnant you **MUST** notify the firearm instructor immediately or before you get to the range.
26. Always wash you hands with **COLD** water after shooting. Be aware that there is airborne particulate lead or lead dust from the ammunition being fired.
27. At no time will there be any full-auto or rapid firing from any firearm.

28. Any check that is returned or marked NSF, there is a \$35.00 charge added to recover bank fees.

NOTE: Only the Firearm Instructor will have unloaded firearms in the classroom strictly for demonstrations and scenarios.
